

## **BOYSCOUT TROOP 252 HIGH ADVENTURE TRIP AGREEMENT**

I understand that I am a vital member of Troop 252's high adventure contingent. As such, I will participate in each meeting for preparation.

I promise to adhere to the payment schedule established by the troop committee. I understand that all fees are nonrefundable—the only exception being if another Scout is found to take my place.

I understand that the possession, usage, and consumption of tobacco, alcohol, and illegal drugs is strictly prohibited.

I understand that, for safety reasons, the buddy system will be strictly enforced at all times.

I understand that I represent our troop, our chartered organization, our community, and the Boy Scouts of America. I will do my best to live out the Scout Oath and Law in my actions.

As a representative of Scouting, I agree to wear the official Scout uniform while traveling.

I am responsible for my actions and am prepared to meet any consequences of my behavior should the need arise. I understand that I may be sent home at my parent's expense for violating the above statement.
